## Company History

DJ Central TV, in partnership with Blue Pie Records USA, offers labels, artists, and content partners a global music distribution, publishing, rights management, and licensing platform connecting to over 600 service providers—all through a single, non-exclusive agreement. The service is free from annual, processing, or service fees. DJ Central provides customized release strategies, ensuring music goes live on major platforms within 21 days and is registered on key charts like Billboard, ARIA, and UK Music Charts. For EDM artists, DJ Central ensures placement on specialist platforms such as Beatport, Juno Download, and Traxsource.

## **Custom Merchandise Preview**

**The following pages display mockups of how the merchandise products will appear in the online store.**

**We've selected a set of images that work especially well on caps, hoodies, mugs and t-shirts.**

**All merchandise products can be customized at any time — colors can be added or removed, and matching caps can be created for each design.**
